## Lunch Break

Time	Program
1.30pm	Registration
2.00pm	Welcome Remarks
2.10pm	Introduction by Attendees
2.30pm	Introduction to OGC and OGC Forums (Scott Simmons)
2.50pm	Short presentations on the use of Standards in Singapore
3.40pm	Tea and Networking
4.00pm	Discussion on geospatial priorities for Singapore and final thoughts from attendees
5.00pm	Adjourn

Regional Business Manager  
Leica Geosystems

Venue: Revenue House, Level 13  
55 Newton Road, Singapore 307987

## Lunch Break

# Transforming Reality Capture Data Into Actionable Information

Regional Technical  
Sales Manager  
Trimble

# GeoAdventure – Navigating the World of Geospatial Intelligence & Technology

Geospatial Manager,  
GeoSpatial Policy & Engagement  
Singapore Land Authority (SLA)

Associate Professor of Information  
Systems (Practice), School of  
Computing and Information  
Systems, SMU

# GEOSPATIAL FOR GOOD

Enriching Minds, Empowering Lives

Day 3, Thursday, 17 Oct 2024

Venue: Marina South Pier

For enquiry and registration, please email to [geospace-sea@mpa.gov.sg](mailto:geospace-sea@mpa.gov.sg)

Time: 9.00am to 12.00pm

## Field Trip @ Sea

Are you curious about how data is collected below the sea surface to ensure safe vessel navigation? Ever wondered how drones capture images out at sea?

Join us for an exciting field trip where we'll dive into the world of hydrographic surveys and drone operations! You'll get a unique experience and see firsthand how these technologies contribute to Singapore's maritime geospatial capabilities to ensure safety of navigation and marine operations.

Don't miss this opportunity to explore the challenges and innovations in collecting geospatial data at sea!

---

Time: 2.00pm to 5.00pm

## Maritime Geospatial Workshop

At any point in time, there are over 1,000 vessels in Singapore's waters. From maritime trade, tourism and more, our busy waters host a wide range of uses.

Mapping and visualising these activities using geospatial technologies can help support marine and coastal planning, manage the impacts of climate change, and support the protection of the marine environment.

We invite you to join us for an exciting workshop session where we'll discover how marine geospatial data can help enhance the safety, efficiency, and sustainability of the maritime domain.

Don't miss this opportunity to explore how marine geospatial insights are revolutionising maritime operations and shaping the future of our oceans!

Venue: Kallang → Marina
